

Metal Panels Inc.  
**Fluropon® Paint Limited Warranty**

**WHAT IS COVERED -**

We are pleased to present you with the following Limited Warranty on our Fluropon® coil coatings.

1. This warranty applies if any of the following Warranty Conditions occurs during the time period specified as indicated below:
  - a. Fluropon® exhibits cracking, flaking or peeling (loss of adhesion) to an extent that is apparent on ordinary outdoor visual observation. Minute fracturing, which may occur in proper fabrication of the building parts is not a covered Warranty Condition. Failure due to substrate corrosion is not a covered Warranty Condition. **The film integrity is warranted as follows: Fluropon®, Fluropon® Extreme - 35 years, Fluropon® Premiere, Fluropon® Classic and Fluropon® Classic II - 20 years.**
  - b. Fluropon® chalks in excess of ASTM D-4214 method A number 8 rating when properly maintained as described herein. **Chalking warranty is as follows: Fluropon®, Fluropon® Extreme - 30 years, Fluropon® Premiere - 20 years.**
  - c. Fluropon® changes color more than five (5.0) Hunter delta-E units as determined by ASTM method D-2244. Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed painted surface. Color changes may not be uniform on surfaces that are not equally exposed to the sun and elements and Sherwin-Williams® does not warrant that color changes will be uniform. **Color change warranty is as follows: Fluropon®, Fluropon® Extreme - 30 years, Fluropon® Premiere - 20 years.**

**YOUR WARRANTY BENEFITS -**

2. If a Warranty Condition exists and all other requirements of this warranty are met:
  - a. MPI will pay for labor and materials reasonably necessary to repaint, repair or replace at our option the metal panels showing the Warranty Conditions.
  - b. The warranty benefits shall not exceed the original purchase price of the affected metal panels (not including any accessories or attachments).
  - c. This warranty continues to apply to any metal panels that were repainted, repaired or replaced due to a Warranty Condition, but only for the unexpired portion of the remaining original warranty period.

**HOW TO CLAIM YOUR BENEFITS -**

3. To receive warranty benefits for a Warranty Condition, you must:
  - a. Claims under this warranty must be made in writing to Metal Panels Inc. at the address listed below within 30 days of the discovery of the defect.
  - b. The written notice to MPI must contain **adequate identification of the material involved, nature of the claimed defect, date of installation, date of shipment and order number.**
  - c. Failure to provide required information (as in section 4b above) within the allotted timeframe shall be deemed as a waiver of the claimant's rights herein.
  - d. MPI shall have an additional 30 days to inspect the roofing or siding subject to the claim before any further action is taken.

**WARRANTY LIMITATIONS -**

4. Metal Panels Inc. requires the following limitations and stipulations to this warranty as follows:
  - a. This warranty only applies to Sherwin-Williams® Fluropon® coil coating products that conform to the Sherwin-Williams® Technical Data Sheet. Because some custom colors may not meet our standards, Sherwin-Williams® will inform MPI in writing at the time of color matching if the color you have selected is not an approved color.
  - b. MPI is not responsible and provides no warranty benefits for any damage or condition resulting from any of the following circumstances, or any circumstances beyond our control:
    - i. Acts of God, falling objects, explosions, fire, external forces or other circumstances beyond MPI's control.
    - ii. Harmful fumes, foreign substances in the atmosphere, or salt spray.
    - iii. Defects in the substrate metal or in its fabrication, or embossing.
    - iv. Any corrosion or loss of adhesion as a result of substrate fabrication or embossing processes
    - v. Significant differences in insulation below coated metal panel.
    - vi. Fluropon® which has been damaged due to moisture entrapment during transit or storage or which has been stored or installed in such a way as to allow standing water on the coating.
    - vii. Failures or damage resulting from substrate damage at cut/bare edge or failure of the metal substrate.
    - viii. Any failures or delamination caused by manufacturing cleaning process or pretreatment.
    - ix. Fluropon® that has been installed or stored in contact with animals or animal waste.
    - x. Mishandling, abuse, alteration, modification, improper use or improper storage of Fluropon® finished products.
    - xi. Attachment or adhesion of materials or items such as snow guards or solar panels to the coating.
    - xii. Fluropon® is not warranted against sea spray or within a 1,500 foot distance of a salt-water environment.
  - c. This warranty applies only to panels installed within the Continental United States, Alaska and Canada. Warranty is not transferable, and expires upon any change or transfer of ownership of the property on which the warranted product is originally installed.

**SCOPE OF WARRANTY -**

5. This warranty is limited to the Fluropon® coil coating manufactured by Sherwin-Williams®. Metal Panels Inc. will not be liable for any special, incidental or consequential damages. This is our complete warranty. It lists all of Metal Panels Inc.'s obligations regarding Fluropon® coil and panel products.
