### Fluropon® 70% PVDF ARCHITECTURAL COATINGS BY SHERWIN-WILLIAMS®

Solar reflectance values are determined by means of a solar spectrum reflectometer in accordance with ASTM C 1549. Thermal emittance values are determined in accordance with ASTM C 1371. SRI is calculated in accordance to ASTM E 1980 with medium wind speed. Panels are unwashed. These measurements are not intended to be used for ENERGY STAR certification. The Sherwin-Williams Company certifies these tests to be true and accurate and performed by our laboratory.
